1) Rights Granted

The copyright to this Contribution is transferred to Fons Scientia Publications. The copyright transfer covers the sole right to store, reproduce, publish, disseminate, and sell throughout the world the said Contribution and parts thereof, as well as its translations in any foreign languages, in all forms and media of expression - such as in its electronic form (offline, online) - now known or developed in the future.

FS will take, either in its own name or in that of Author, any necessary steps to protect these rights against infringement by third parties. It will have the copyright notice inserted into all editions of the Contribution according to the provisions of the Universal Copyright Convention (UCC) and dutifully take care of all formalities in this connection, either in its own name or in that of Author.

The parties acknowledge that there may be no basis for claim of copyright in the India to a Contribution prepared by an officer or employee of the Indian government as part of that person's official duties. Fons Scientia grants the India Government royalty-free permission to reproduce all or part of the Contribution and to authorize others to do so for India purposes.

2) Rights Retained by Author

Author retains, in addition to uses permitted by law, the right to communicate the content of the Contribution to other scientists, to share the Contribution with them in manuscript form, to perform or present the Contribution or to use the content for non-commercial internal and educational purposes, provided that the Fons Scientia Publications is mentioned as the original source of publication in any printed or electronic materials. Author retains the right to republish the Contribution in any collection consisting solely of Author's own works without charge but must ensure that the publication by Fons Scientia is properly credited and that the relevant copyright notice is repeated verbatim. Author may also deposit this version on his/her funder's or funder's designated

repository at the funder's request or as a result of a legal obligation. Author may not use the publisher's PDF version, which is posted on www.fonscientia.com, for the purpose of self-archiving or deposit. Furthermore, Author may only post his/her version provided acknowledgement is given to the original source of publication and a link is inserted to the published article on Fons Scientia's website. The link should be accompanied by the following text: "The original publication is available at pubs.fonscientia.com". Author retains the right to use his/her Contribution for his/her further scientific career by including the final published paper in his/her dissertation or doctoral thesis provided acknowledgement is given to the original source of publication. Author also retains the right to use, without having to pay a fee and without having to inform the publisher, parts of the Contribution (e.g. illustrations) for inclusion in future work, and to publish a substantially revised version (at least 30% new content) elsewhere, provided that the original Fons Scientia Contribution is properly cited.

3) Warranties

Author warrants that the Contribution is original except for such excerpts from copyrighted works (including illustrations, tables, animations and text quotations) as may be included with the permission of the copyright holder thereof, in which case(s) Author is required to obtain written permission to the extent necessary and to indicate the precise source. Fons Scientia Publications has the right to permit others to use individual illustrations within the usual limits.

Author warrants that he/she has power to grant the rights in accordance with Clause "Rights Granted", that he/she has not assigned such rights to third parties, that the Contribution has not heretofore been published in whole or in part, contains no libelous statements and does not infringe on any copyright, trademark, patent, statutory rights or proprietary rights of others, including rights obtained through licenses; and that Author will indemnify Fons Scientia Publications against any cost, expenses or damages for which Fons Scientia Publications may become liable as a result of any breach of this warranty.
